If you would be kind enough to fill out the questionnaire that we have posted on the www.stjoehigh64.com website, we will make a booklet of information provided. We are planning to make a paper copy memory book for those who are interested and we will only put on the website information that you have indicated may be posted. This Memory Book information will be password protected on the website so only our classmates will be able to access the information. If you do not have internet access, please telephone Chris Miller at 614-519-3721 and she will send you a printed copy of the questionnaire.
